Playing for Peanuts

CalGeo Annual Golf Tournament

When: April 19, 2019, 7:30am tee-off
Where: Foxtail Golf Course, North Course
        100 Golf Course Dr,
        Rohnert Park, CA 94928

Thank you for registering for CalGeo's Annual Playing for Peanuts Golf Tournament.

Continental breakfast and registration will be at the Fairview Sonoma Wedding & Events building (next to Golf shop) from 6:30am-7:30am on Thursday April 19th. We suggest arriving at the Flamingo Hotel Wednesday April 18th.

Tee-times for all teams will be at 7:30am with a modified shot-gun start. Teams will be listed on the golf carts and all players will be directed to their starting hole at 7:20am. Please plan to arrive by at least 7am to register, pick up your goodie bag and some breakfast and head to your cart.

The tournament will be a modified scramble this year. Also known as a shamble or Texas scramble it is a golf format in which the players select the best shot off the tee, move all balls to that spot, and play individual stroke play for the rest of the hole. We hope this will allow golfers to play their own ball but also keep the game moving at a reasonable speed.

Please bring cash on hand to participate in golf challenges by Dixon golf and to purchase mulligans at registrations ($5 each). All proceeds will go towards CalGeo's student fund, allowing students to attend our conference for free!

Prize ceremony will be during our Welcome Reception Thursday evening at 6pm at the Flamingo Resort & Conference Center, Santa Rosa. Prizes will be awarded to the winning team (all 4 players) as well as for the following contest holes: Closest to the pin (3 winners), Longest drive (1 winner). The winning team will also receive a personalized mug within a few weeks with their team photo! Their names will be engraved in CalGeo's Golf Tournament Trophy plaque for future years bragging rights.

If you have any questions, please call Kelly Cabal 949-391-2436 or e-mail: Kelly@calgeo.org

Thank you for participating and we look forward to seeing you next week.
