## 2020-2021 New CalGeo Board of Director Candidate

### **Yvette Wilson - Rock Solid Engineering**

Yvette Wilson, P.E. is the Principal Engineer at Rock Solid Engineering, Inc., a small geotechnical consulting firm located in Watsonville, California. Yvette graduated from California State University, Fresno in 1995 with a B.S. in Civil Engineering. Yvette started Rock Solid Engineering, Inc. in 2003. The main goal in starting a firm was to be able to provide a level of customer service and engineering that she strives for. We just celebrated 17 years in business! We primarily serve the counties of Santa Cruz, Monterey, San Benito and Santa Clara and work on a variety of projects including custom homes, commercial buildings, coastal engineering, and large housing and multi-use developments.

Yvette became a member of Cal Geo in 2015. Yvette is excited at the opportunity to be on the CalGeo Board. She looks forward to expanding CalGeo membership from her local area, supporting continuing education and collaborating with all her esteemed colleagues at CalGeo to further CalGeo's goals.
