Kelly mentioned that we have $10,000 in student scholarships that we will be paying out.
Kelly mentioned that the minutes approval from last year’s GMM were added to the ballot and we have an off for a quorum to approve the minutes.

4.0 EXECUTIVE DIRECTOR’S REPORT

Kelly Cabal discussed what she will be addressing as follows:

A. Conference
   a. Details of cancellation – Kelly mentioned that if you have not requested a refund yet you can still do that using a form that is on our CalGeo website. After April 30 if a refund was not requested Kelly indicated that she assumes people just want it credited to next year’s conference.
   b. Sponsor Appreciation – Kelly ran through the names of our sponsors and thanked them. Kelly mentioned that all sponsors have been refunded for this year. Kelly thanked contributors to the General Fund: Geo-Logic, NMG Geotechnical, and Stevens, Ferrone & Bailey. Kelly thanked contributors to the Student Fund: Geo-Logic, NMG Geotechnical, and John Sutton in honor of Eric Hendrix who passed away in October 2019.

B. What’s new: Video & membership growth. Kelly tried to show the video but had technical difficulties.

C. Yearly program recap (LPS, Short courses) Kelly mentioned some of the courses we offered last year including CPT seminars and L-Pile and is working on virtual meetings moving forward. We recently had a webinar presented by Van Goodwin who discussed changes in employment law. The Stego Industries did a presentation with over 100 viewers. Next week on April 30th there will be a presentation for emerging professionals and there are almost 80 people registered.

D. Upcoming webinars. Kelly mentioned an upcoming virtual six week course beginning on May 22nd with Norm Abramson with UC Berkeley to cover seismic site specific ground motion hazard analysis. It will be a weekly 90 minute class. It will be recorded and added to a new online library that Kelly is current creating for member access.

Kelly’s computer came back online and members rejoined the meeting........

Kelly discussed membership growth and new members. Kelly mentioned the names of all 17 new member firms. Kelly announced the 5 new individual members. Kelly mentioned 2 new affiliate members.

Kelly mentioned that current membership is 111 member firms. 30 affiliate members, 15 individual members, 107 student members with fluctuation every year, 14 academic members, 7 lifetime and honorary members and our mailing list is approximately 3400.

Kelly went back to discussing 2020 courses. Mentioned rescheduling the Prevailing wage and Apprenticeship Requirements course that was supposed to take place at the
conference to a possible in-person meeting (if allowed) or to an online meeting. Kelly discussed Economic presentations and indicated that GBA will be having one on May 1st with a national focus and that we are considering having our economic speaker do a California specific presentation.

Kelly mentioned some additional upcoming webinars related to COVID-19 and emerging professionals.

E. Project Award winners. Kelly thanked David Hamilton and committee. Over 15 submittals this year. The winners were as follows:

Private Large Category:
Winner: Langan Engineering & Environmental Services
Honorable Mention: Leighton Consulting

Private Medium Category:
Winner: GMU

New category this year called Geo-Contractor Award for our affiliate members;
Our winner is Farrel Design-Build

All of our winners will be preparing 5 to 10 minute summary videos which will be available by the end of May in our new media library and telling them she and she would be emailing out a summary of the winning projects.

Public Large Category:
Winner: Blackburn Consulting

Public Medium Category:
Winner: Engeo
Honorable Mention: Condor Earth Technologies
Honorable Mention: Geocon
Honorable Mention: Cal Eng. & Geology

Public Small Category:
Winner: Engeo

F. Student Scholarships winners

Kelly thanked Board Member Lindsey Angell who spearheaded the efforts of putting together the scholarship application. Kelly discussed the details of the scholarship application and reminded members that they can donate to the student fund at any time as well as during membership renewal.
Kelly announced the five $2,000 scholarship winners:

Athul Parayancode (UCSD)
Jeoghyun (Peter) Lee (UCLA)
Brian Yamashiro (USCD)
Teresa Magana (CSUSac)
Claire Anovick (Cal Poly Slo)

G. Salary Survey Reminder

Kelly requested that members submit their 2019 salary information by May 1st.

Kelly thank David Hamilton four revamping our salary survey and spreadsheets.
Kelly discussed some of the different categories and experience levels in the data with information going back into the 1970’s.

H. Legislative Update

Kelly indicated that there is a section on the website with information including information related to COVID-19.

Kelly Introduced Martin McIlroy to speak about some of the other legislative issues including the SB-1 fuel tax. Martin indicated that there is less revenue available due to the reduction in the use of fuel that could impact future transportation projects. Martin indicated that legislators are being told to hold introducing new Bills due to the COVID 19 crisis. Martin indicated that ACEC has been lobbying to keep our industry as essential. Martin discussed a possible executive order that may impact workman’s comp. Martin the mentioned AB-626 Bill and that there will likely not be a lot of movement due to the current crisis; however, it is something that is being watched. CalGeo at this time does not have any plans to introduce any new bills two a legislator this year.

5.0 ELECTION

A. Election of Directors (McIlroy)
B. Summary of ballots collected

Kelly announced the executive board and directors as well as our newly elected board member Yvette Wilson with Rock Solid.

Kelly introduce Ron Skaggs to discuss our new investment plans.
