# LETTER FROM THE PRESIDENT

Dear Prospective Sponsors,

Thank you for considering the sponsorship of the UC San Diego chapter of the California Geotechnical Engineering Association. Our chapter was established in 2014 and has been expanding in the number of students and activities. We believe that your company has in its mission a desire to support education. Our objectives are to enrich the educational and professional development experiences of geotechnical engineering students (both undergraduate and graduate) during their time at the University of California San Diego. In addition, we strive to increase awareness of the geotechnical profession, prepare students for industry work and to create an environment that promotes learning of geotechnical engineering in a way that is exciting to students through guest speakers, field trips and networking events such as our annual BBQ, Research Expo and meetings and events.

The accomplishments of our goals will only be attainable with the support of sponsors to continue holding events and expand our outreach. Your support will help the professional development of our members and benefit their practical knowledge. Thanks to generous donations from companies like yours, we can make sure that our members gain the best connections possible. For your sponsorship, we will recognize your valuable contribution in our website and all our promotional material. Your donations also enable our Geo-Wall team to compete in the Pacific Southwest Conference.

We appreciate your help and generosity.

Jeffrey Newgard  
President,  
CalGeo Student Chapter  
University of California, San Diego

Athul Prabhakaran  
Vice-President,  
CalGeo Student Chapter  
University of California, San Diego

# HIGHLIGHTS FROM CALGEO at UC San Diego

Meeting with Professor Ricardo Dobry (RPI)

Retaining Wall Design with Dr. Robert Bachus (Geosyntec)

## Speakers

The student chapter at UC San Diego brings a variety of professional speakers to talk about a variety of geotechnical topics. In the recent past, we had the pleasure of hosting:

1. Dr. Lelio Mejia (Geosyntec),
2. Prof. Izzat Idriss (UC Davis),
3. Dr. Jorge Meneses (RMA Group)
4. Prof. Tom O' Rourke (Cornell University),
5. Prof. Ricardo Dobry (RPI),
6. Prof. Paul Mayne (Georgia Tech)
7. Prof. Amit Prashant (IIT Gandhinagar)
8. Prof. Federico Pisano (TU Delft)
9. Dr. Robert Bachus (Geosyntec)

## CalGeo Regional Meetings

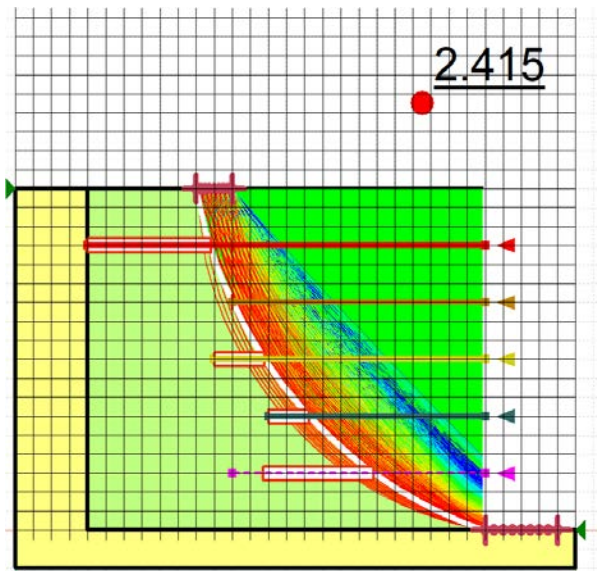

To enrich our members' knowledge and networking opportunities, representative members attend CalGeo Regional Meetings.

### Annual BBQ

CalGeo student chapter holds an annual Barbecue to strengthen its ties within UCSD by gathering students, professors and industry representatives for an enjoyable day and meal together.

### GeoWall

Our student chapter regularly mentored the undergraduate Geo-Wall team for their competition at the 2021 Pacific Southwest Conference. Only one of the team members had taken a geotech class but they all pursued the project enthusiastically! By the time of the competition, they were interpreting triaxial test results for the backfill sand and modeling the global stability of the reinforced wall in SLOPE/W.

# SPONSORSHIP PACKAGES

## **Bronze Level Sponsor (Donation up to or equal to \$500)**

1. Personal letter of thanks from CalGeo at UC San Diego
2. Recognition on our membership shirts with a small size logo
3. Logo and website link on our website
4. One-person invitation to Distinguished Lectures

## **Silver Level Sponsor (Donation from \$500 to \$1000)**

1. Personal letter of thanks from CalGeo at UC San Diego
2. Recognition on our membership shirts with a medium size logo
3. Logo and website link on our website
4. Two-person invitation to Distinguished Lectures

## **Gold Level Sponsor (Donation equal to \$1000 or more)**

1. Personal letter of thanks from CalGeo at UC San Diego
2. Recognition on our membership shirts with a large size logo
3. Logo and website link on our website
4. Company-wide invitation to Distinguished Lectures

**Opportunities available to sponsor an entire Distinguished Lecture Event. Please contact us for more details and information.**

If you wish to become a sponsor, please fill the sponsorship form below. We gladly accept any kind of donation whether it is monetary value, materials or other services. If you need more information, please do not hesitate to contact us.

All gifts to the UC San Diego School of Engineering are fully tax-deductible for federal income tax purposes, and subject to any limitations placed on charitable gifts. Additional information available upon request.
